Registration deadline - March 20th

TRI-COUNCIL COLLEGE OF COMMISSIONER SCIENCE
YUCCA, CONQUISTADOR & GREAT SOUTHWEST COUNCILS
All Commissioners and Scouters are welcomed

March 26, 2021 – Virtual Cracker Barrel - 7:00pm - 8:30pm MST. An evening Cracker Barrel with our Council Commissioners holding a Fireside Chat and answering your questions.

March 27, 2021 – Virtual College of Commissioner Science - 7:30am-4:30pm MST comprised of 7 class periods and keynote speaker during lunch.

This year the Tri-Council College of Commissioner Science will be offered VIRTUALLY due to the ongoing COVID-19 pandemic. We are not offering a joint University of Scouting this year. While it is unfortunate that we will not be able to fellowship in person, it provides an opportunity to learn from the comfort of your own home. This training will be accomplished via the Zoom platform.

The College of Commissioner Science (Commissioner College) program is designed to have a commissioner learn through a series of training classes, followed by work experiences, to help us to ensure a quality program throughout Scouting. Please reference the 2021 College Schedule and Course Catalog for further information and detail about the structure and format of this training.

Participants who complete the appropriate classes can earn "degrees" in Commissioner Science, starting with a Bachelor Degree, then a Master Degree, and culminating with a Doctorate of Commissioner Science, which is explained further in the College Course Catalog available on the registration website. A Doctorate will take a number of years to complete. It is not required to attend the entire day or complete a track in one day. Commissioners are encouraged to participate in as many courses as they can, but classes will count towards their degrees whether or not he/she attends all day.

A well-trained commissioner staff better serves the Scouting movement and programs for youth... "Every Scout Deserves a Trained Leader."

Registration is available at <https://scoutingevent.com/573-TriCommissioner2021> . Registration deadline March 20th.

Registration is \$5 per scouter for the entire day of valuable training. Once you register, you will be sent many more details about how to access the virtual cracker barrel Friday evening March 26th and the courses on March 27th.
