This event is a great opportunity for you to turn-in the paperwork for your completed recharter and have it all reviewed by a volunteer. You can also bring the parts of your recharter to the event and we will help you figure out what's needed to complete the process.

A note about fees:

Join Our Partnership for Scouting

Will your Pack, Troop or Crew Become a Partnership Unit in 2019?

The Partnership for Scouting was established in 2017 to strengthen the ability for the Council and Units to provide the best Scouting experience possible for participating families. By working together and pressing toward this common goal of better Scouting, the Council and its Units can make best use of limited resources. One of the key factors of this Scouting Partnership is improved communication between the Council and its Units.

The benefits for becoming a Partnership unit are listed below. As you can see, the savings a Unit can receive are significant.

Will your Pack, Troop or Crew qualify as a Partnership Unit in 2019, and reap the benefits in 2020? To qualify your unit must raise a goal equal to $150 x number of scouts (registered on January 1, 2019), attend Cub Scout day camp or summer camp at Gorham Scout Ranch within the past three years, and earn JTE bronze, silver or gold at recharter. The 2020 Partnership goal amount will increase to $175 x number of Scouts.

One perk of being a Partnership unit is the insurance recovery fee rebate. The insurance recovery fee, $25 per person due at recharter, is completely rebated to Partnership units. This is a huge savings for your Pack, Troop or Crew.

Click HERE for the 2019 Partnership Report, current as of November 20th, 2019. The report has been updated from the July version to include camping data, and financial information (primarily popcorn sales, along with any updates to Friends of Scouting contributions, and year-to-date totals for any Gondola Club donations connected to a specific unit). The last update will be in late December with final financial data, and will include JTE status.

For more information concerning Partnership for Scouting, please contact Randy Saunders.

**Messengers of Peace**

**Peace Light**
The Peace Light from Bethlehem campaign was originally organized in 1986 by the Austrian Broadcasting Company - ORF (Linz) - and was part of a large charitable relief mission - Light into Darkness, for children in need in Austria and abroad. Since 1989, there has been a great deal of co-operation between Scouts and Guides in many countries, which has allowed the light to travel throughout Europe.

Each year, a child from Upper Austria fetches the light from the grotto in Bethlehem where Jesus was born. The light is then flown to Austria from where it is distributed at a Service of Dedication to delegations from across Europe who take it back, with a message of Peace, to their own countries for use at ecumenical services throughout the Continent. Scouts and Guides can then take the light on to houses of worship, hospitals, homeless shelters, old people homes, prisons, and places of public, cultural and political importance - to anybody who appreciates the significance of the "gift".

The arrival in Albuquerque has not been finalized yet, but we expect to have it mid December. To have the light from Bethlehem be a part of your Christmas this year bring a lantern to the Council office mid-December. More details to follow.

National Eagle Scout Association Expansion Program

The Great Southwest Council (GSWC) National Eagle Scout Association (NESA) Committee is working at re-engaging adult Eagle Scouts while also keeping new Eagle Scouts engaged.
The committee is looking at getting business professionals and civic leaders, young and old, involved in supporting the Council's efforts with young men and women. This is the beginning of the process of creating a more comprehensive NESA organization that will support the Great Southwest Council and help it to continue to grow and prosper.

Some of the ways in which you can help is by being a merit badge counselor, a commissioner, or volunteering to serve on one of the many NESA Board positions.

There are two ways for Eagle Scouts who are interested in getting more information on this process: email local NESA at gswcnesa@gmail.com, or contact Skip Brown on his cell phone (505-239-9173).

Once you have left a message, you will be contacted to set up an initial meeting and get more detailed information forwarded to you.

Once an Eagle, always an Eagle.

2021 National Scout Jamboree
@ Summit Bechtel Reserve

Scouting's flagship event is one-of-a-kind. It's a gathering of approximately 40,000 Scouts, leaders, and staff that showcases everything that is great about the BSA and its members. Held every four years, the Jamboree is an amazing opportunity for participants, volunteers, and visitors to experience the best of Scouting, all in one place. Features include: one of the longest zip line courses in North America, a world-class skate park, ATV offerings, treetop canopy tours, rock climbing, patch trading, stadium shows, and much more!

HISTORY
The first Boy Scouts of America national jamboree was scheduled to be held in Washington, D.C., in 1935 to celebrate the 25th anniversary of Scouting in America. Unfortunately, the jamboree was canceled because of a polio outbreak in Washington. When the first jamboree was finally held in 1937, Dan Beard lit the opening campfire using flint and steel. Scouts from all 48 states brought the wood that was used in the campfire. There were 27,232 Scouts camped on the National Mall under the Washington Monument. Since that time, an additional 18 national jamborees have been held, the last in 2017.

DETAILS
Every four years, the Great Southwest Council puts together a Jamboree Contingent consisting of 1 to 2 troops, comprised each of 36 youth and 4 adult leaders. Besides the Jamboree experience itself, there are many costs that are incurred in preparation for the event. These costs include (but may not be limited to):

- Jamboree event fee
- Dedicated Scouting professional and support staff to facilitate and assist in a successful Jamboree experience

The Jamboree is open to all who are qualified on a first-come, first-served basis. Qualifications to attend the National Jamboree include:

- Registered member of a Venture Crew.
- Must live and abide by the Scout Oath and Law.
- Must abide by the Jamboree Code of Conduct.

At the time of registration, Scouts will be placed in a Jamboree troop/crew that is closest to where you live, unless that troop/crew is full. If that troop/crew is full the Scout will be placed in the closest available troop/crew. Each Scout will be a member of a patrol within their unit. Every contingent member will be required to participate in and have the following:

- Monthly troop or crew meetings
- A completed National Jamboree Medical form signed by a licensed physician

Internet Advancement

In May 2019, National changed the Internet Advancement to the new Internet Advancement 2.0. When they did this, the Key 3 members of the unit (Chartered Org Rep, Committee Chair and
Chartered Org Rep, Committee Chair and Scoutmaster/Cubmaster/Crew Advisor/Ship Skipper) are the only individuals with access to Internet Advancement.

A Key 3 member can, however, appoint another registered individual to become the Unit Advancement Chair. They can accomplish this by going into their my.scouting.org account, going to the unit’s drop down menu and selecting Organization Security Manager. Once in the Organization Security Manager, they will see the Key 3 listed on the left and the various positions they can designate on the right. They will select the position they would like to designate, then select the "+" button and add the name of the individual who will be serving as the Advancement Chair. This will then allow that person to have permissions to access the unit advancement records.

It takes about 24 hours to update for the individual to receive access. The new advancement chair will then log into their my.scouting.org account and go to Legacy Tools.

In Legacy Tools is the link for the Internet Advancement 2.0.
