Then the Great Southwest Council has the camp for you! This week-long course packs in leadership training, pioneering projects, navigation skills, challenging outdoor skills and a great experience of the Patrol method.

So if racing fellow Scouts in knot relays, competing for a coup feather, and making new friends from around the Council sounds like fun to you, then join us at Brownsea.

National Youth Leadership Training is a six-day outdoor experience for youth leaders. It supports the Scout leader responsibility to train youth leaders. Participants sleep in tents, bond as patrols, learn life skills, and live by the Scout Oath and Law. Training youth leaders is a critical component for helping individual Scouts and Scout Units to grow.

The Boy Scouts of America developed the National Youth Leadership Training (NYLT) course, a valuable learning experience for educating youth leaders. The Great Southwest Council offers NYLT annually.

Registration is available at Tentaroo: [www.tentaroo.com/greatsw](http://www.tentaroo.com/greatsw).

2020 RESERVATIONS

The 2020 season promises to be another exciting summer at Gorham Scout Ranch. COPE and ATV Adventure are excellent programs for older Scouts.

There will be adult leader training opportunities as well. CPR/First Aid, Wilderness First Aid, and Scout Leader training courses will be offered weekly.

Now is the time to make a reservation to make sure your troop gets to attend the week of their choice.

The ZIA Provisional Camper Program offers those Scouts who cannot attend summer camp with their troop or those Scouts who simply want to go to camp for a second week the opportunity to go to Gorham Scout Ranch without their troop. ************************************************************************************
Camperships are available for Scouts attending summer camp at Gorham.

The Order of the Arrow promotes camping and, in this spirit, does not want any Scout to miss the opportunity to attend a summertime camping or training program offered by our Council.

A Scout is Thrifty. The Boy Scouts of America and the Order of the Arrow encourage every Scout to pay their own way for Scouting activities, as this philosophy supports the basic aims of Scouting. However, we realize that Scouts need a little extra help at times to participate.

Camperships are limited to registered youth members of the Great Southwest Council. Lodge Camperships may not be used for Out-Of-Council programs.

Visit the Campership page HERE on our website for applications and forms for Cub Scout camping and Scouts BSA camping.

Deadline to submit applications is April 1st.

PRINTING CHARTER CERTIFICATES & MEMBERSHIP CARDS

The BSA is committed to streamlining basic operations by putting tools in the hands of volunteers. For several years now, individuals and unit key 3 have had access to print membership cards through my.Scouting. In addition, functionality has been added to my.Scouting to enable members of the unit key 3 to print their unit Charter Certificate. This "self-service" functionality allows volunteers to print membership cards and the unit charter certificate in a timely manner and enhances the onboarding

**Internet Advancement**

*In May 2019, National changed the Internet Advancement to the new Internet Advancement 2.0. When they did this, the Key 3 members of the unit (Chartered Org Rep, Committee Chair and Scoutmaster/Cubmaster/Crew Advisor/Ship Skipper) are the only individuals with access to Internet Advancement.*

A Key 3 member can, however, appoint another registered individual to become the Unit Advancement Chair. They can accomplish this by going into their [my.scouting.org](https://my.scouting.org) account, going to the unit's drop down menu and selecting Organization Security Manager. Once in the Organization Security Manager, they will see the Key 3 listed on the left and the various positions they can designate on the right. They will select the position they would like to designate, then select the "+" button and add the name of the individual who will be serving as the Advancement Chair. This will then allow that person to have permissions to access the unit advancement records.

*It takes about 24 hours to update for the individual to receive access. The new advancement chair will then log into their [my.scouting.org](https://my.scouting.org) account and go to Legacy Tools.*

*In Legacy Tools is the link for the Internet Advancement 2.0.*
