**PROGRAM PLANNING 2009-10:  
KICK OFF YOUR YEAR OF FUN  
AT A COMBINED METRO ROUNDTABLE  
THURSDAY, MAY 14, 2009**

**6:30 P.M. – 8:30 P.M.**

**LDS Church-Montano Building**

**1100 Montano NW (See map on back)**

As Scouting approaches its Centennial Celebration in 2010, it's good to remember that the BSA came about because of an unknown British Scout helping an American visitor find his way through the fog. That's exactly what proper program planning can do for your unit: guide you through the fog by giving you the tools to chart your course for the next year and a chance to talk to the district leaders about the fascinating stops they have planned for you on the way. We want 2010 to be the best year ever for your unit, your district, the Great Southwest Council, and the BSA! What you do to attract new families to Scouting and the program they receive in the fall will lay the foundation for a real celebration in February of 2010 and the months to follow!

This Metro kick-off will allow you to get a head start on the 2009-10 program year.
